A new and unique way of trapping is being successfully followed by D. M. Pierce of Barren county. Pierce has a rooster penned up in a deep hollow about one mile from his home, and all around the pen are set steel traps. He visits the place every day, sees and waters the rooster, and empties his traps of game, consisting of foxes and varmints.

ROOT JUICE AT J. JAS.
WOOD & SON'S
DRUGSTORE

A Continual Stream of
Evidence Flowing In
From Every Direction
---Saturday the Last
Day of the Root Juice
Demonstration

If one can judge by the continual stream of evidence that is flowing in from every direction, the Root Juice demonstration at J. Jas. Wood & Son's Drugstore has proved a great blessing to scores of people of Maysville and surrounding country. Many that have suffered a long time with some trouble of the stomach, bowels, liver, kidneys or nerves, are now claiming entire freedom from all aches and pains. Among the many callers at the drugstore, to tell of the wonderful good received from a short use of Root Juice, was a gentleman who said that Root Juice had almost performed a miracle in his case: "I, before using the remedy, was weak and nervous. My appetite was poor and digestion was so bad that the lightest foods would sour on my stomach, causing a formation of gas that would press against my heart and almost cause it to stop beating at times, but after taking the Juice a short while, my appetite is good, my nerves are settled, and I digest everything I eat without a single disagreeable symptom." So many local people are praising the great remedy that its rapid sale at J. Jas. Wood & Son's Drugstore is no longer a surprise. We are told that the demonstration at this point closes Saturday night. Until then the Root Juice is sold for \$1 a bottle or three for \$2.50.

GOVERNOR'S RECEPTION

Nearly Broken Up in the Hurry To
Get Requisition Papers

A special from Frankfort under date of March 3d says—

Upon the oath of Mrs. Esther McRoberts of Cincinnati, a warrant was sworn out here today by County Judge R. C. Hiest, charging C. M. McRoberts, who is under arrest at Kokomo, Ind., with bigamy. Lieutenant Charles Overly of Lexington, armed with a requisition, is on his way to Kokomo, Ind., to bring McRoberts back to this city to stand trial, as he was married here February 28th to Mrs. Elizabeth Kyle, a comely thirty-eight-year-old widow of Lexington, formerly a resident of Mason county. The license was issued to Culin McRoberts. Mrs. Kyle is a daughter of Alex. Bramel, one of Mason county's wealthiest farmers.

Effort to suppress the swearing out of the warrant for McRoberts failed, because in the rush to get to the train in time to catch it County Attorney Marshall and Lieutenant Overly nearly broke up a reception of Governor Willson in their hurry to get him to sign the requisition papers.

In an interview at Kokomo McRoberts claims he is innocent. He admits that he has been twice married, but says that he was divorced from his first wife in Fleming county. He says that his arrest is the work of a woman named Laura Loggins, who, he says, is infatuated with him.

AWFUL PAINS FULLY DESCRIBED

A Lady of Pizarro Tells Story of
Awful Suffering That Cardui
Finally Relieved.

Pizarro, Va.—"I suffered for several years," writes Mrs. Dorna A. Smith, "with that awful backache and the bearing down sensations, so fully described in your book."

"I tried doctors and other medicines and found little relief, until I was induced to try Wine of Cardui, when I found instant relief and today I can heartily recommend Cardui to all suffering women and think there is no other as good."

In some instances, Cardui gives instant relief; in others, it may take a little time. But in all cases of female trouble Cardui can be depended on to be of benefit, as it is a specific remedy for women and acts in a curative way on the womanly organs.

As a general tonic for women, to build up your strength, improve your appetite, bring back rosy cheeks and make you look and feel young and happy, nothing you can find will do so much for you as Cardui.

Your druggist has it.

N. B.—Write to: Ladies' Advisory Dept., Chattanooga Medicine Co., Chattanooga, Tenn., for Special Instructions, and 64-page book, "Home Treatment for Women," sent in plain wrapper, on request.

Mr. J. M. Pickrell, one of Winchester's prominent citizens, died suddenly Thursday.

Some self-made men couldn't get the same kind of a job for anyone else.

Dr. Henry of Paris has been here for several days, engaged in laying off his recent purchase in Clifton into town lots.

Walter N. Chandler, eldest son of Judge and Mrs. M. F. Chandler of near Mt. Olive, died the first of the week.

The Tenderfoot Farmer

It was one of these experimental farmers, who put green spectacles on his cow and fed her shavings. His theory was that it didn't matter what the cow ate so long as she was fed. The questions of digestion and nourishment had not entered into his calculations. It's only a "tenderfoot" farmer that would try such an experiment with a cow. But many a farmer feeds himself regardless of digestion and nutrition. He might almost as well eat shavings for all the good he gets out of his food. The result is that the stomach grows "weak" the action of the organs of digestion and nutrition are impaired and the man suffers the miseries of dyspepsia and the agonies of nervousness.

To strengthen the stomach, restore the activity of the organs of digestion and nutrition and brace up the nerves, use Dr. Pierce's Golden Medical Discovery. It is an unfailing remedy, and has the confidence of physicians as well as the praise of thousands healed by its use.

In the strictest sense "Golden Medical Discovery" is a temperance medicine. It contains neither intoxicants nor narcotics, and is as free from alcohol as from opium, cocaine and other dangerous drugs. All ingredients printed on its outside wrapper.

Don't let a dealer delude you for his own profit. There is no medicine for stomach, liver and blood "just as good" as "Golden Medical Discovery."

A banner year is expected the coming season in passenger traffic on the river.

Pittsburgh for once has safely passed the dangerous water mark, and the annual freshet, at least for the time being, has become a matter for historians.

The J. B. Williams and Pittsburgh are en route up the river from New Orleans with big tows of empties. Both of these boats will go on through to Pittsburgh.

The towboat Tom Dodsworth has been let off the Elizabeth Marine Ways and will be sent out from Pittsburgh with a tow of coal. The Dodsworth has received a new hull.

The Henry Lowery, Ironsides, Boaz, Jim Meran and the Sam Brown have arrived at Pittsburgh with large tows of empties, which will be taken at once to the mines, where they are in great demand.

The Wabash, towing the Markel showboats, is coming up the river on route to Pittsburgh. The showboats have just finished a busy season playing the small towns along the Mississippi river, and are going to Pittsburgh to work their way back down the Ohio.

THE JANITOR SAYS.

Commercial Tribune.

"In order to be a good janitor, a man must be a little of everything. Not only a jack-of-all-trades, but a jill-of-all-trades as well. Why, the other day a lady who lives in our flats actually called me in to button her waist in the back. I have heard of messenger boys being called to act as ladies' maids, but this was my first experience away from home—and I haven't dared tell my wife about it."

WHEN HER BACK ACHES.

A Woman Finds All Her Energy and Ambition Slipping Away.

Maysville women know how the aches and pains that come when the kidneys fail, to make life a burden. Backache, hip pains, headaches, dizzy spells, distressing urinary troubles, all tell of sick kidneys and warn you of the stealthy approach of diabetes, dropsy and Bright's disease. Doan's Kidney Pills permanently cure all of these disorders. Here's proof of it in a Maysville woman's words:

Mrs. John Burns of Maysville, Ky., says: "I value Doan's Kidney Pills just as highly today as when I gave a statement for publication in their favor some years ago. I was subject to attacks of kidney trouble and at times the pain in my back was so acute that I was confined to my bed for days. The prompt relief I received from Doan's Kidney Pills, procured at J. J. Wood & Son's Drugstore, was very gratifying, and during the years which have since elapsed, I have had no serious return of kidney trouble. On some occasions, I have felt a slight backache, but a few doses of this valuable remedy have never failed to ward off any bad attack."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

Beware of Statements For Catarrh That Contain Mercury.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is tenfold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, O., by F. J. Cheney & Co. Testimonials free.

YOUNG WIDOWS Will Draw \$4,000,000 Annually in Pensions

Uncle Sam is going to be good to young
widows of old soldiers by giving them pensions.
The present pension law grants annuities only
to the widows of soldiers of the Civil War who
were married before January 27th, 1890. As is
well known, many of the old soldiers took help-
mates unto themselves since that date, and
for the past twelve years Congress has been
besieged in the interest of this multitude.

There are now 25,000 of them, and the
pressure has come to be so strong that it
looks as if it would not be withstood for a
great while. The Senate Committee decided
on a favorable report. The House Committee
also has agreed to consider the subject, and
the intimations are that the report from that
committee will be favorable.

If the bill should become a law it would add
from \$2,000,000 to \$4,000,000 to the pension
roll. There is a special provision in the bill
requiring that in order to become a beneficiary
under its terms any widow must have lived
with her soldier husband at least three years.

This requirement is inserted to protect the
veterans from the wiles of any woman who
might seek to ally themselves with them only
for the purpose of putting themselves in the
way of becoming the subjects of Uncle Sam's
charitable ministrations.

The bill has the sanction of the Grand Army
of the Republic.

He thinks the valise was stolen.

The city prisoners were earning their feed

A NEAR-FLOOD.

The river at this point has reached a stage
of 48.2, having rose a foot in the past twelve
hours. As predicted in THE LEDGER, the
water will scarcely reach a 50-foot stage here,
and will likely be on a stand some time to-
night. All danger of a flood stage has passed,
as the river is falling at nearly all points
above, Kanawha and Big Sandy included. The
only inconvenience here is the water over the
streetcar track in Bridge street, necessitating
transfer of passengers at that point.

WHEN the esteemed Cynthiana Democrat declares that the Republican party is a "one-man party," and that that man is ROOSEVELT, it probably merely voices its own sentiments in the matter, and, like millions of other Democrats, the Editor of The Democrat admires "the strenuous and mighty one," and would vote for T. R. for President if they could do so and hold their jobs. While THEODORE

The Union League of the Christian Endeavor had its regular monthly meeting at the Central Presbyterian Church last evening, followed by a social. While not so largely attended as usual, owing to the lecture at the First M. E. Church, South, the meeting was none the less enthusiastic and enjoyable. The social part of the meeting was thoroughly enjoyed, various amusements being provided by the committee. Refreshments in the shape of ice cream cones were served.

ROOSEVELT is not only the first American alive today, and the whole world looks upon him as a human prodigy and a tower of personal genius and strength, yet the Republican party is away above ROOSEVELT, or any other one individual for that matter, and he could drop out today and another would fit into his place just as natural as Dame Nature arranges all her handiwork. The Republican party has scores of statesmen who would fill the Presidential chair with all the force and ability of a THEODORE ROOSEVELT. The Democratic party is the one-man party and his front name is WILLIAM JENNINGS BRYAN, whose career is a selfish financial success and whose three Presidential races are but historical chestnuts.

SCARED AWAY

Before He Had Completed the Job—Bold Robbery Last Night

T. R. Valentine, the Sixth Ward grocer, had an unwelcome visitor last night and the establishment looted of a considerable amount.

The cash drawer was broken open and the contents, consisting of about \$4 in change, taken; the chewing gum machine was relieved of about \$2, besides a considerable amount of groceries were taken.

The thief was evidently interrupted in his work, as in his haste to get away he left his coat and pipe, which may eventually redound in his ruin and capture. The fellow evidently has a sweet tooth, or a sweetheart, one, as he also provided himself with a full supply of chewing gum and candy.

THE REAL TEST

Of Herpicide is in Giving it a Thorough Trial.

There is only one test by which to judge of the efficiency of any article and that is by its ability to do that which it is intended to do. Many hair vigorators may look nice and smell nice, but the point is—do they eradicate Dandruff and stop falling hair?

No, they do not, but Herpicide does, because it goes to the root of the evil and kills the germ that attacks the papilla from whence the hair gets its life.

Letters from prominent people everywhere are daily proving that Newbro's Herpicide stands the "test of use."

It is a delightful dressing, clear, pure and free from oil or grease.
